

# #NEXT GEN

## HAVE YOU EVER FELT THAT YOU HAD MORE TO OFFER?

At StreetGames, we're all about giving young people the chance to shine and to fulfil their potential. That's why we've created **#NextGen**, a training and development programme designed to give you the skills and opportunities you need to succeed and to give back to your local community.

As a **#NextGen participant**, you'll be given training and mentoring to suit your needs, delivered locally and chosen by you. You'll get the chance to take part in Away Days centred around fun and personal development, and national residentials where you can meet other young volunteers from around the country, make new friends and be inspired.

It's your chance to get active, try new things, discover your passions, and become the change your community needs.

*YOU'LL LEARN HOW TO SUPPORT AND INSPIRE OTHER YOUNG PEOPLE TO FULFIL THEIR POTENTIAL. BY PLANNING AND DELIVERING A SOCIAL ACTION PROJECT IN YOUR LOCAL AREA, YOU'LL GIVE OTHER YOUNG PEOPLE THE CHANCE TO TRY A NEW ACTIVITY, OR TO HELP TACKLE A LOCAL ISSUE.*

For 15 years, StreetGames has been working with young people to help them to fulfil their potential. **#NextGen** gives you the tools to become the positive change your community needs.
